

**Ohio Department of Job and Family Services
Request for Letterhead Bids (RLB)
WOTC/REDD Consultants
RLB#: JFS-IS-10-12**

I. Purpose

The Ohio Department of Job & Family Services through the Office of Information Services (IS) is soliciting proposals from vendors with approved Office of Information Technology (OIT) State Term Schedules (STS), or listed as an authorized dealer on an approved STS, that are authorized to provide IT/Data related services under their STS to support the ODJFS/OIS Bureau of Application Development.

The intent of this request is to obtain six (6) IT professionals. These resources will provide services to the Office of Information Services. Specific duties of the IT professionals include, but are not limited, to:

- A. In concert with business users, collect, refine requirements and do high level design and planning in response to stimulus legislative initiatives and performance needs in the Workforce Development area. These features will be built on the Ohio Rapid Response (REDD), Ohio Means Jobs (OMJ) and Sharing Career and Opportunity Training Information (SCOTI) systems.
- B. Design, develop and test algorithms and screens using JAVA code, WAS workspace, and Oracle database. This would include building on the current application interfaces for the current system as well as conforming to the industry standard interfaces.
- C. Design, develop and test algorithms and screens using Oracle forms code, Oracle Application Server workspace, and Oracle database. This would include building on the current application interfaces for the REDD/SCOTI system as well as conforming to the industry standard interfaces.

The request seeks three (3) Senior JAVA Programmer Analysts; three (3) Senior Oracle Forms Programmer Analysts. **Vendors are limited to the submission of up to three (3) candidates for the Senior Oracle Programmer/Analyst and up to three (3) candidates for the Senior Java Programmer/Analyst positions.**

The normal work schedule for the State of Ohio is Monday through Friday 8:00 am to 5:00 pm. Each independent contractor position selected under this contract will have a maximum of 820 hours commencing on or about **March 29, 2010** and continuing until all the hours have been expended or by June 30, 2010. This resource may not require the use of all **820** hours of service. This resource can be released by ODJFS thirty (30) working days after the vendor is notified in writing that their services will no longer be required or at any time due to lack of expected performance.

The vendor's State Term Schedule must be approved by OIT by the time vendor bids are due on this project, in order to qualify for consideration. State law will not allow a services contract to span fiscal years, therefore all services and billing for this RLB must be completed by June 30, 2010. Failure of a Contractor to submit the final invoice by this deadline shall be deemed forfeiture by Contractor of all remaining compensation pursuant to the Contract.

II. Time and Date of Submission

Organizations, companies, firms, or individuals who are interested in submitting letterhead bids must make their submission not later than **11:00 a.m. Eastern Standard Time on February 22, 2010**. Faxes will not be accepted. Proposals must be addressed to:

Materials received after the submission deadline date, or partial submissions received regardless of the date, will not be added to previous submissions, nor be considered. No confirmations of mailed proposals received can be provided.

IV. Question & Answer Period; RLB Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RLB via the **email address: JFS-BID-REQUEST@jfs.ohio.gov** during the Question and Answer Period as outlined in Section III. The email subject should be RLB# **JFS-IS-10-12**.

Questions about this RLB must reference the relevant part of this RLB, the heading for the provision under question, and the page number (if applicable) and/or section of the RLB where the provision can be found. The potential vendor must also include the name of a representative of the potential vendor, the company name and business phone number. ODJFS may, at its option, disregard any questions which do not appropriately reference an RLB provision or location, or which do not include an identification for the originator of the question. ODJFS will not respond to any questions submitted after 08:00 a.m. EDT on the date that the Question and Answer period closes.

ODJFS responses to all questions asked via the Internet will be posted on the Internet web site dedicated to this RLB, for reference by all potential vendors. Potential vendors will not receive personalized or individual e-mail responses. Clarifying questions asked and ODJFS responses to them comprise the "ODJFS Question and Answer Document" for this RLB; when possible, ODJFS may post an interim Q & A Document as well as the final version. Vendor proposals in response to this RLB are to take into account any information communicated by ODJFS in the Final Q & A Document for the RLB. **It is the responsibility of all potential vendors to check this site on a regular basis for responses to questions, as well as for any amendments or other pertinent information regarding any RLB.**

Accessibility to the ODJFS Q & A Document will be clearly identified on the web site dedicated to this RLB, once that document is made available.

IMPORTANT: Requests from potential vendors for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs, submitted in accordance with directions provided in Section 1.14. Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet or faxed questions for RLB clarification do not apply to PRRs.

Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RLB; therefore, vendors are to base their RLB responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in the RLB and, if applicable, in the Q&A document, NOT on details of a current or past related contract. If vendors ask questions about existing or past contracts using the Internet Q & A process, ODJFS will use its discretion in deciding whether to provide answers.

ODJFS will only answer those questions submitted within the established time period for the Vendor Q & A process (see Section 1.3., Anticipated Procurement Timetable, above), and which pertain to issues of RLB clarity, and which are not requests for public records. ODJFS is under no obligation to acknowledge questions submitted through the Q & A process if those questions are not in accordance with these instructions.

VIII. Selection Process

Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical Proposal. All proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS. Vendors should not assume that the review members are familiar with their current work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. Final selection of the vendor will be based upon the criteria specified in Sections V., and VI., of this RLB. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The review committee may waive minor defects that are not material when no prejudice will result to the rights of any vendor or to the public. ODJFS reserves the right to require clarification of any information provided in the vendors’ proposals.

A. Review—Criteria for Scoring the Technical Proposal:

The Proposal Review Team (PRT) will score the vendor’s technical proposal by assessing how well the vendor meets the requirements as specified in Sections V., and VI., of this RLB. Using the score sheet (see **Attachment C.** of this RLB for specific evaluation criteria), the PRT will read, review, discuss and reach consensus on the final score for each vendor’s technical proposal.

A maximum of 70 points will be awarded for the Vendor’s Technical Proposal. A vendor’s proposal must achieve a total of at least 49 points (indicating that the vendor is capable of successfully performing contractual duties) out of the possible 70 points to qualify for continued consideration. Any technical proposal which does not meet the minimum required technical proposal points will be disqualified from any further consideration and its cost proposal will neither be opened nor considered.

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”-a particular RLB requirement was not addressed in the vendor’s proposal, **Score: 0**

“Meets Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 5**

“Exceeds Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 7**

“Greatly Exceeds Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, and offers some additional level of quality which surpasses ODJFS expectations, **Score: 9**

The evaluation team will rate the Proposals based on the following criteria and respective weights:

| Criteria | Percentage |
|--------------------|-------------------|
| Technical Proposal | 70% |
| Cost Summary | 30% |

All categories in the Technical Proposal section of the RFQ will be scored on a “Does Not Meet”, “Meets”, “Exceeds” and “Greatly Exceeds” basis.

The vendor candidate with the lowest proposed Hourly Bid Price will receive 30 points. The remaining vendor’s candidate(s) will receive a percentage of the maximum cost points available based upon the following formula.

Cost Summary Points = (Lowest Candidate’s Hourly Bid Price Per Hour/Vendor’s Candidate’s Bid Price Per Hour) x 30

Total Points Score: The total points score is calculated using the following formula:

Total Points = Technical Proposal Points + Cost Summary Points

Maximum Available Points = 100

(It is important to note that the Vendor’s candidates will be grouped by Position Classification for scoring purposes. All Senior JAVA Programmer Analysts will be grouped together. The same grouping strategy will apply to the Senior Oracle Forms Programmer Analysts position classification. Each group will be independently scored using the 100 point maximum scoring methodology detailed above.)

IMPORTANT: Before submitting a proposal to ODJFS in response to this RLB, vendors are strongly encouraged to use the Technical Proposal Score Sheets and ODJFS Work Experience Forms (**Attachments C, E, & F**) and the above technical performance scoring information to review their proposals for completeness, compliance, and quality.

B. Final Selection

The PRT will recommend for selection the technically qualified vendor with the highest Final Total Score. At its sole discretion, ODJFS may choose to conduct interviews prior to final vendor selection. Interview question responses will then be considered according to a process comparable to the Technical Proposal Scoring described in Section VIII., Selection Process of this RLB.

The state reserves the right to interview up to 10 candidates for each requested skill prior to final selection.

IX. Health Insurance Portability & Accessibility Act (HIPAA) Requirements

- F. Shall make PHI available to ODJFS in order for ODJFS to fulfill its obligations pursuant to HIPAA to amend the information and shall, as directed by ODJFS, incorporate any amendments into the information held by the contractor and ensure incorporation of any such amendments into information held by its agents or subcontractors.
- G. Shall make available its internal practices, books and records relating to the use and disclosure of PHI received from ODJFS, or created and received by the contractor on behalf of ODJFS, to ODJFS and to the Secretary of the U.S. Department of Health and Human Services for the purpose of determining ODJFS compliance with HIPAA and the regulations promulgated by the United States Department of Health & Human Services and any amendment thereto.
- H. Shall, upon termination of this Agreement, at the option of ODJFS, return to ODJFS, or destroy, all PHI in its possession, and keep no copies of the information except as requested by ODJFS or required by law. If the contractor or its agent or subcontractor destroy any PHI, then the contractor will provide ODJFS with documentation evidencing such destruction. Any PHI maintained by the contractor shall continue to be extended the same as required by HIPAA and ODJFS for as long as it is maintained.

In the event of a material breach of contractor obligations under this section, ODJFS may at its option terminate the contract according to provisions within the contract for termination.

The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. After the selection of the vendor, any proposals submitted in response to an RLB are deemed to be public records pursuant to R.C. 149.43. The term "proposal" shall mean both the technical and the cost proposals, if opened, submitted by the vendor, any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

XIII. Other Requirements

A. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

B. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor’s proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor’s performance of the work, and the best interests of ODJFS.

C. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor’s proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

D. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, shall not be selected for this project.

E. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XIV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XV. Communications Prohibited

From the issuance date of this RLB until the contract award has been formally announced by the ODJFS Director, there may be no communications concerning the RLB between any vendor which expects to submit a proposal and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the selection of the Vendor(s).

The only exceptions to this prohibition are as follows:

1. Communications conducted pursuant to Section IV, Internet Question and Answer Period;
2. As necessary in any pre-existing or on-going business relationship between ODJFS and any vendor which could submit a proposal in response to this RLB;
3. As part of an interview or proposal clarification process initiated by ODJFS as necessary to make a final vendor selection;
4. If it becomes necessary to revise any part of this RLB, ODJFS will post those revisions, amendments, etc., to the website dedicated to this RLB;* and
5. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services.

*** Important Note:** Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original web page established for the RLB. All interested vendors must refer to that web page regularly for amendments or other announcements. ODJFS will not specifically notify any vendor of changes or announcements related to this RLB except through the website posting. It is the affirmative responsibility of interested vendors to be aware of and to fully respond to all updated information posted on this web page.

ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB. Any attempts at prohibited communications by vendors may result in the disqualification of those vendors' proposals.

XVI. Protests

Any potential, or actual, vendor objecting to the award of a contract resulting from the issuance of this solicitation may file a protest of the award of the contract, or any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

1. A protest may be filed by a prospective or actual bidder objecting to the award of a purchase order resulting from this solicitation. The protest shall be in writing and shall contain the following information:

- a. The name, address, and telephone number of the protestor;
 - b. The name and number of the solicitation being protested;
 - c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - d. A request for a ruling by ODJFS;
 - e. A statement as to the form of relief requested from ODJFS; and
 - f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
2. A timely protest shall be considered by ODJFS, if it is received by ODJFS' Office of Legal Services, within the following periods:
- a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.
 - b. If the protest relates to the announced intent to award a contract, the protest shall be filed no later than 3:00 p.m. of the eighth (8th) calendar day after the issuance of the Letter of Intent to Award the contract.
3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department's procurement system. An untimely protest is one received by ODJFS' Office of Legal Services after the time periods set forth in Item #2 of this section.
4. All protests must be filed at the following location:
- Chief Legal Counsel, Office of Legal Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414
5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.
6. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.
