

# CCMEP Program

## What is CCMEP?

The Comprehensive Case Management and Employment Program (CCMEP) is a workforce development program that helps at-risk students develop career goals and supports the achievement of these goals through the attainment of industry-recognized credentials, work experience and employment.

## Why refer at-risk students to CCMEP?

CCMEP provides:

- Personalized and supportive services to students at risk of not graduating, including development of a career plan (Individual Opportunity Plan - IOP)
  - To help your district meet career advising requirements for at-risk students
- Added support and encouragement to help students graduate

## Which students should I refer?

- Students at-risk of not graduating
- Students withdrawing before graduation
- Students graduating without a plan (postsecondary training, employment or military)
