Temperature Self-Test Form

I, _____, have taken my temperature before arriving to
Print Name

work today, _____. I am reporting my temperature as _____° Fahrenheit. I
MM/DD/YYYY

understand that if my temperature registers 100.1° Fahrenheit or higher that I must stay home for the
day and follow normal call-off protocol*. I am aware that I may not return to work until I am fever-free
for 24-hours, without the use of an anti-fever medication.
