MONTHLY UPDATE MEETINGS

The next Advancement through Resources, Information and Employment Services (ARIES) project monthly update meeting is scheduled for 3:30 - 4:30 p.m. on Thursday, December 17, 2020.

Due to the technical difficulties reported during our previous meeting, this meeting will be conducted in Microsoft Teams instead of Microsoft Teams Live. This will allow us to provide both a link and a call-in number for those who register.

Individuals who registered for the September, October or November meetings were sent a meeting appointment last week. If you did not receive an email but would like to attend, please register on the [ARIES Resources page](#) by entering your name and email address in the Microsoft form. Meeting invitations will be sent weekly.

The presentations are posted to the ARIES Resources page. Recording of the monthly meetings are posted to the [ARIES Videos site](#).

Please contact the Project Support Team by email at CMAdmin@jfs.ohio.gov if you have any questions.

ARIES MONTHLY SPRINT DEMONSTRATION VIDEOS

The ARIES Project Support Team posted three new videos to the [ARIES Video site](#) this week. All were created from November's sprint demonstration. They explain the financial management functionality created to date, including how to enter financial obligations, funding allocations, vouchers and payment items.

The Project Support Team plans to post new videos each week in December. If you have questions, comments or suggestions after viewing them, please log them using the downloadable spreadsheet available on the site and email it to us at CMAdmin@jfs.ohio.gov.

As always, your feedback is appreciated.

ARIES IMPLEMENTATION WORKGROUP SURVEY—DUE BY 12/11

Earlier this week, the members of the ARIES Implementation Workgroup received an email with a link to a Microsoft Forms survey regarding the types of notifications that are part of the core ARIES system. Workgroup members are asked to complete and submit the survey by the close of business on Friday, December 11.

Workgroup members with questions or concerns may contact the ARIES Implementation Team by email at AriesImplementationWorkgroup@jfs.ohio.gov.
