Visitation Plan Process Flow

The Agency Needs to Record a Visitation Plan

Worker Chooses Which Child that the Visitation Plan Will Apply

Worker Records the Visitation Plan

The Plan Describes the Following: 1) Who may visit the Child, 2) How often the visits may take place, 3) Where the visits are to occur, and 4) How long the visits will last.

Must the Visitation Plan be Supervised?

The Worker Records the Restrictions for Visitation

The Worker Records any Approved Other Communications

The Worker Saves the Plan

A Visitation Plan is in Effect for the Child
