Dear Ohio Department of Job & Family Services:

The Conesville Plant is to be permanently retired May 31, 2020.

As a result, pursuant to any obligations we might have under the federal Worker Adjustment and Retraining Notification Act ("WARN"), Conesville Plant hereby notifies you that a permanent mass layoff will occur at the Conesville Plant located at 45701 CR 273 in Conesville, OH. That said, employment separations will occur on May 31, 2020 (or within the fourteen day period beginning on that date), as determined by the Company.

With the exception of a handful of positions which could be needed for decommissioning work, all positions and jobs at the Conesville Plant will be eliminated by May 31, 2020. Attached is a list of the names and job positions of the affected workers. This list does not include those individuals who have been offered, and accepted, another position at a different AEP facility. The exempt employees will not have bumping rights to other locations.

The hourly employees of Conesville Plant are represented by IBEW Local 1466 President Rodney Cockrell located at 939 Goodale Blvd Columbus, OH 43212. The hourly employees may have bumping rights pursuant to the Collective Bargaining Agreement between AEP Generation Resources, Inc and AEP Service Corporation and IBEW Local 1466 Unit No. 3b Article VII, Section 11.

Please contact Ryan Forbes, Conesville Plant Manager at 740-829-4032 for further information or if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Amantha Yoshida".

Manager, Labor Relations
