Re: AMETEK Westchester Plastics

Dear Mr. Nickerson:

This letter will serve as official notice, to the extent required under the Worker Adjustment and Retraining Notification Act, 29 U.S.C. §2101 *et seq.* ("WARN"). Please be advised that the employees employed at AMETEK Westchester Plastics' facility located at 14097 Cemetery Rd, Wapakoneta, OH 45895 will be subject to a permanent plant closing within 14 days of March 31, 2020.

The majority of affected employees will be separated within 14 days of March 31, 2020 and will remain on the payroll and receive salary and benefits coverage for WARN purposes through that date. A few employees will remain beyond the March 31, 2020 date to assist with the shutting down of the facility.

The hourly employees at this facility are represented by the United Electrical, Radio and Machine Workers of America (UE) Union, Local 766, 767 Delta Ave., Cincinnati, Ohio 45226. Hayden Schortman is the current chief elected officer. The Company has been meeting with the Union for the past week regarding the plant closing and today an official WARN notice was sent to Mr. Schortman via email with a return receipt. No bumping rights exist for any of the affected employees.

The job classifications and numbers of employees in each classification affected by the plant closing, together with the date of separation are set forth on the attached list.

We appreciate any assistance that your office may be able to provide to the workers affected by the plant closing. Should you have any questions, please contact Heather Nolte, Human Resource Generalist, Wapakoneta via email at heather.nolte@ametek or by phone at 1-419-739-3227.
