Office of Workforce Development Rapid Response Unit  
Worker Adjustment Retraining Notification (WARN) Act

Re: AMETEK Westchester Plastics

Dear Mr. Nickerson:

This letter will serve as an extension notice with respect to the January 23, 2020 official notice, to the extent required under the Worker Adjustment and Retraining Notification Act, 29 U.S.C. §2101 *et seq.* ("WARN"). Please be advised that the termination date for 10 of the employees at AMETEK Westchester Plastics' facility located at 14097 Cemetery Rd, Wapakoneta, OH 45895 will be extended beyond the date originally communicated.

The original notice stated:

"that the majority of employees would be subject to a permanent plant closing within 14 days of March 31, 2020 and will remain on the payroll and receive salary and benefits coverage for WARN purposes through that date. A few employees will remain beyond the March 31, 2020 date to assist with the shutting down of the facility."

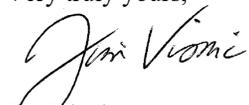

As of the date of this letter, the company finds the need to keep 10 additional employees until within 14 days of April 30, 2020. We have asked for volunteers and selected the 10 senior qualified employees. This extension does not affect the termination dates of employees previously scheduled for May and June, which were noted in our January 23, 2020 notice.

The hourly employees at this facility are represented by the United Electrical, Radio and Machine Workers of America (UE) Union, Local 766, 767 Delta Ave., Cincinnati, Ohio 45226. Hayden Schortman is the current chief elected officer. The Company is officially notifying the Union via Mr. Schortman via email with a return receipt.

The revised job classifications and numbers of employees in each classification affected by the plant closing, together with the date of separation are set forth on the attached list.

We appreciate any assistance that your office may be able to provide to the workers affected by the plant closing. Should you have any questions, please contact Jennifer Rebarchick, Human Resource Generalist, Nesquehoning, PA via email at [Jennifer.rebarchick@ametek.com](mailto:Jennifer.rebarchick@ametek.com) or by phone at 1-570-413-4043.

Very truly yours,

Jim Visnic  
VP and General Manager
