RE: WARN Act Notice for ARaymond Tinnerman Industrial, Inc. (Brunswick)

Dear Ms. Handberg:

We write to inform you of our difficult decision to permanently close our facility at 1060 West 130th Street, Brunswick, OH 44212. The discontinuation of operations at the plant is primarily due to a decrease market demand outside the control of the company and the Coronavirus Pandemic.

The closing is expected to occur in various stages from August 6, 2020 through February 2021, and will result in the cessation of all operations and employment at the site. The job titles and numbers of affected employees are listed in Exhibit A. The affected employees do not have bumping rights or union representation.

The information in this letter is based on the best information the company has available at this time. If there is a material change, we will update you at that time. If you have additional questions, please contact me by phone at (330) 220-5185 or email at [greg.smith@araymond.com](mailto:greg.smith@araymond.com).

Sincerely,

Greg Smith  
President & CEO
