To Whom it may concern,

We are writing to advise you that the plant operated by Bucyrus Precision Tech, Inc. at 200 Crossroads Blvd, Bucyrus, OH 44820 will be permanently closed (Mass Production Ceased) on or about July 30, 2021, at which point the majority of the associates will be separated from employment. The remaining associates will be separated over the next several months with complete closure scheduled by the end of 2021. All job loss will be permanent. There are no bumping rights and no bargaining representative. This decision has been a very difficult one to make, however, we have found no alternatives.

Below is a chart of the job titles that will be affected, and the number of employees in each category:

Job Title	Number of Employees
General Associate (Production)	43
General Associate (Maintenance)	3
General Associate (Maintenance Clerk)	1
