Re: Fulton County Processing / Worker Adjustment and Retraining Notification Act (WARN) Notice

This is to inform the Ohio Department of Job and Family Services, as the designated state dislocated worker unit, pursuant to the federal Worker Adjustment and Retraining Notification Act (WARN) [29 U.S.C. § 2101, et seq.], that Fulton County Processing plans to conduct a layoff at its facility located at 7800 St. Rt. 109, Delta, Ohio and lay off 58 employees currently employed at that location.

This layoff is due to unforeseeable business circumstances in connection with the current COVID-19 pandemic facing our nation, including recent “stay at home” orders from state and local authorities, and for that reason, we are unable to provide more advance notice. We sincerely hope that this will be a temporary layoff of less than 6 months but are providing this notice pursuant to the WARN Act as a precautionary measure and as a good corporate citizen.

The layoff will affect approximately 58 employees and is anticipated to commence on or about April 17, 2020 and conclude on or about May 1, 2020.

If you need additional information, you should contact me at (419) 822-9266.

Sincerely,

Jeffrey Kunkel  
President
