Subject: RE: Great Wolf Lodge

Hello,

Pursuant to R.C. 4141.28(C), this email provides an update to the notice provided on March 30, 2020, due to the continued realities of the COVID-19 pandemic, and continuing governmental restrictions and guidance on physical distancing to maintain public safety, effective Friday, May 1, 2020 Great Lakes Services, LLC (d/b/a Great Wolf Lodge) placed thirty full-time salaried employees in Ohio on temporary furlough, as well as updated its full-time and part-time hourly employees of a new anticipated reopening date of June 16, 2020. During this time, Great Wolf will continue to pay the full health insurance premiums for employees who had elected coverage under Great Wolf healthcare plans. This temporary closure does not trigger WARN notice requirements under federal or state law.

Should you have any questions, please respond to this email address. I will update this notice if the anticipated reopening date changes in the future.

Sincerely,

DJ Nichols | Great Wolf Resorts | Associate General Counsel
