Re: Magna Industries – WARN Notice

To Who It May Concern:

I have announced that the Magna Industries facility in Cleveland, Ohio is planned for permanent closure. This closure will result in the elimination of all positions at the Cleveland location. We anticipate that the closure date will be August 31, 2020.

This letter is being provided to you in accordance with the Federal Worker and Retraining Notification Act (WARN), 29 U.S.C 2101 et. seq. as notice that the Magna Industries facility located at 2233 W. 110<sup>th</sup> Street, Cleveland, OH 44102 is planned for closure reducing its workforce by 102 positions. Because this is a full closure, bumping rights are not available. If no obligations exist, this notice is being provided to you voluntarily.

After a thorough analysis, we have decided to close our Magna Industries operation as the majority owner is retiring. The difficult decision to close Magna Industries does not reflect on the efforts and performance of the employees there.

A list of the job titles of positions to be affected and the number of affected employees in each job classification is attached.

For further information, you may contact Kathy Cook, Human Resource at 216-251-3334 X15.

Sincerely,

Larry Whited
