Dear Ms. Handbert,

Maxion Wheels as developed plans to shut down the Akron plant at 428 Seiberling Street, Akron, OH 44306. Consistent with these plans, employment separations are expected to commence on or about November 6, 2020. It is expected that all production will cease no later than December 18, 2020. The building closure is scheduled for June 7, 2021. We anticipate that these plans, when finalized, would be permanent and would involve the entire facility. The total number of affected employees is eighty (80).

To the extent that the above actions constitute a covered event under the Worker Adjustment and Retraining Notification Act, this letter is only intended to fulfill any requirements imposed under the Act. By providing this information, we do not concede that the Act applies or that notice is required. Please note that the form of this notice to you is treated at 20 C.F.R. Sec. 639.7(f).

If you have any questions or desire additional information, please contact me at 330-794-2300

Sincerely,

Marcelo Carneiro
Plant Manager
