In compliance with the federal Worker Adjustment and Retraining Notification Act ("WARN") and Ohio Rev. Code Ann. §4141.28(C), this is to notify you that Rassini Chassis Systems, LLC's ("RSC" or "Company") facility located at 1812 Magda Drive Montpelier, Ohio 43543 will be experiencing a permanent closing/shutdown of the entire facility.

The permanent closing is expected to begin on October 2, 2020 or within fourteen days thereafter. Employees are expected to be terminated on that date, and also on October 16, 2020, October 30, 2020, and December 31, 2020. The Company anticipates permanently laying off approximately 70 employees. This notice is being given due to unforeseen business circumstances. Specifically, changed market conditions, increasing steel prices, customer dynamics, and lost customer business led to this closing. The affected employees are not represented by any labor organization and do not have bumping rights.

If you have any questions about this mass layoff, please contact Jose Luis Resendiz at 419-485-1524 x3405 or Deborah Walker at 419-485-1524 x3406.

Sincerely,
