RE: WARN Act Notice

Pursuant to the Worker Adjustment and Retraining Notification (WARN) Act and any applicable state law, this letter constitutes Second Samuel Transport Inc's notice to the State's Rapid Response team of a pending plant closing/layoff at 6246 Allen Rd, Westchester, OH 45069.

Please be informed that on September 8, 2022, Second Samuel Transport Inc., a DSP whose sole business is to provide delivery services for Amazon, was informed by Amazon that they will not be renewing our contract thereby causing us to lay off all employees and cease business not later than November 8, 2022. Second Samuel Transport Inc. employs 365 employees in 4 states. We have 1 site in OHIO that employs as follows:

6246 Allen Rd, Westchester, OH 45069, we employ 55 employees at this site.

All of these employees received a WARN notification email on September 9, 2022, within 24 hours of us becoming aware of the intent by Amazon not to renew, informing the employees that we would cease operations at these sites not later than November 8, 2022. Because Amazon completely controls route assignments and will ramp us down at their prerogative, we are unable to provide exact dates any better than this.

We have no union employees at any locations.
