Dear Ms. Handberg:

The purpose of this letter is to notify you of employment losses resulting from U. S. Steel Seamless Tubular Operations, LLC's ("the Company") indefinite idling of all operations at its Lorain Tubular Operations facility. This action is a result of weak tubular market conditions, including continued high levels of imported tubular products, which are impacting demand for the facility's products. Following is information relevant to this matter.

- Name and address of employment site where employment losses will occur:

Lorain Tubular Operations  
2199 East 28th Street  
Lorain, OH 44055

- Planned Action: Indefinite idling of all operations.
- Names of units which are affected: The planned action will result in employment losses in all departments throughout Lorain Tubular.
- Employment losses associated with the planned action will commence on May 24, 2020 and continue on weekly basis through July as the facilities are safely idled.
- The attached list identifies the titles of the positions and the number of employees in each position who will or may be affected by the planned action.
- Existence of bumping rights: Pursuant to applicable labor agreements.
- Name, address and telephone number of Company officials to contact for further information:

- This Notice is also being sent to:

The Honorable Jack W. Bradley  
Mayor of Lorain  
200 West Erie Avenue  
Lorain, OH 44052

Thomas M. Conway  
International President  
United Steelworkers  
Five Gateway Center  
Pittsburgh, PA 15222

The information in this notice is based upon the best information available to the Company as of this date and is being provided as promptly as practicable in light of the current business circumstances.

Very truly yours,

Timothy W. Mosby  
Senior Director – Employee Relations
